| 1             | drive you're going to completely use the E -Cloudimation and the Object Detection System so that means you will not need | Neutral   | navigation       |
| 2             | to operate the vehicle, so keep your hands off the steering wheel and feed off the pedals once we get that drive.        | Neutral   | vehicle_status   |
| 3             | So when you see that some driver indicator highlight green, make sure you don't hit the brake at any point during        | Neutral   | accident_warning |
| 4             | the drive. With this drive, the Car Cab Lookout will have the ODS for getting visual                                     | Neutral   | navigation       |
| 5             | feedback for targets that are in the environment, so the Car Cab Lookout should pay attention to that screen to aid them | Neutral   | navigation       |
| 6             | when you're pointing out to during the mission. Remember to tap the targets on that ODS as well as completing            | Neutral   | navigation       |
| 7             | this workstation task.   | Neutral   | navigation       |
| 8             | Alright, so all drivers, put your foot on the brake. Do not remove   | Neutral   | traffic_update   |
| 9             | your foot from the brake until I instruct you to remove it. Car Cab Driver, you may start                                | Neutral   | lane_change      |

| 10 | the car. All drivers, with your foot still on the brake,  | Neutral   | vehicle_status   |
| 11 | you've been on the brake and do not start yet if you're put on the brake. You drove through me. | Neutral   | accident_warning |
| 12 | Car Cab Driver.   | Neutral   | vehicle_status   |
| 13 | Car Cab Driver and only the Car Cab   | Neutral   | vehicle_status   |
| 14 | Driver? Yes. Make sure everyone doesn't drive.  | Neutral   | vehicle_status   |
| 15 | I am now in drive. Car Cab Driver and only the Car Cab Driver.                                  | Neutral   | vehicle_status   |
| 16 | You may begin moving forward.   | Neutral   | change_speed     |
| 17 | As I drove through... That's not drivers you may remove your foot from the brake. We            | Neutral   | traffic_update   |
| 18 | now have Sim Driver on. We're looking at the person on the                                      | Neutral   | navigation       |
| 19 | scooter. One. A color scooter.  | Neutral   | navigation       |
| 20 | Crossbody bag. Scooter? Yeah, it has a  | Neutral   | navigation       |
| 21 | crossbody bag.  | Neutral   | navigation       |
| 22 | It's driving. It's not a... I   | Neutral   | traffic_update   |
| 23 | see scooters on both sides of the road. Nope,   | Neutral   | pedestrian_alert |
| 24 | not this one. Yeah, it's like an electric scooter.  | Neutral   | navigation       |
| 25 | Ah, yeah, that's on the left side of the road. Yeah, I saw it on the left. Passing now.         | Neutral   | traffic_update   |
| 26 | 10 o 'clock. Yeah, that was a practice test.  | Neutral   | navigation       |
| 27 | Do we have any target? Not yet. I hit   | Neutral   | signal_alert     |
| 28 | target identified, but... Yes, Paul.  | Neutral   | navigation       |
| 29 | Those motorcyclists were giving me a car. A red car   | Neutral   | vehicle_status   |
| 30 | that's kind of beat up. There's a box that's on the roof. Uh -huh. Pass. Oh, I see it. It's at  | Neutral   | navigation       |
| 31 | 10 o 'clock. Yeah, I'm on the left side. I think we   | Neutral   | navigation       |
| 32 | used... I'm the left side. Yeah. Passing now. Yeah,   | Neutral   | traffic_update   |
| 33 | we're also passing now. Car one.  | Neutral   | vehicle_status   |
| 34 | Why is car  | Neutral   | vehicle_status   |
| 35 | three so far behind car two? I don't know.  | Neutral   | vehicle_status   |

| 36 | So... There's a target gap.  | Neutral   | navigation         |
| 37 | Is the ODS working?  | Neutral   | navigation         |
| 38 | Yes. Sometimes it has a green button there that says identified. No,                   | Neutral   | navigation         |
| 39 | you won't see anything, but Jack should see something in the passenger seat if the ODS | Neutral   | navigation         |
| 40 | is parking. There should be a wide car right now. There's still a green button here.   | Neutral   | parking_assistance |
| 41 | A wide car. SUV like a TV, yeah. It's now we're looking at a white                     | Neutral   | vehicle_status     |
| 42 | stand or SUV. SUV, yeah. Yeah, SUV.  | Neutral   | vehicle_status     |
| 43 | I see a camel.   | Neutral   | navigation         |
| 44 | Thank you. And we got cars coming  | Positive  | vehicle_status     |
| 45 | up. There's a driving white car on the left.   | Neutral   | traffic_update     |
| 46 | Passing now. I think that was it. We have another white                                | Neutral   | navigation         |
| 47 | SUV. And... Yeah, passing that one on the left now.                                    | Neutral   | vehicle_status     |
| 48 | Passing military checkpoint.   | Neutral   | navigation         |
| 49 | No,  | Negative  | navigation         |
| 50 | it was a truck. I know it was a tenant on the truck.                                   | Neutral   | vehicle_status     |
| 51 | Yeah.  | Positive  | navigation         |
| 52 | Yeah.  | Positive  | navigation         |
| 53 | Jack, do you feel like this has given  | Neutral   | navigation         |
| 54 | you enough to understand or do you want to continue? Yeah, I                           | Neutral   | navigation         |
| 55 | think it's... How about you come in there? I think it's enough.                        | Neutral   | navigation         |
| 56 | I mean, I'm having fun, but we can stop if you want to. Okay.                          | Neutral   | accident_warning   |
| 57 | Yeah, we can feel it.  | Neutral   | navigation         |
| 58 | All right. Command   | Neutral   | navigation         |
| 59 | are breaking now.  | Neutral   | navigation         |
| 60 | Please don't run through me. No!   | Negative  | navigation         |
| 61 | We've been rear-ended. Uh -huh. Uh -huh.   | Neutral   | vehicle_status     |
