Time: 108.6s - 110.6s

[audio player] Time: 135.7s - 135.7s

Transcript:

[audio player] Time: 175.0s - 176.9s

Transcript: I'm going to ask you what I got.

[audio player] Time: 226.0s - 228.5s
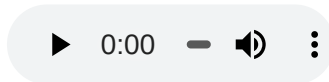

Transcript: You should be a wide car right now.

[audio player] Time: 228.8s - 228.9s

Transcript: Thank you very much.

[audio player] Time: 229.0s - 229.0s

Transcript:

[audio player] Time: 229.3s - 229.3s

Transcript: Thank you.

[audio player] Time: 229.8s - 230.5s

Transcript: The white.

Transcript: for the mission.

[audio player] Time: 12.6s - 20.0s

Transcript: Object detection systems then into a non-beat-operated vehicle so keeping things up the steering wheel and beat up the pedals much better in that drive.

[audio player] Time: 20.7s - 25.5s

Transcript: So when you see this in driver in the car, I'm like green, make sure you don't get the brake at any point during the drive.
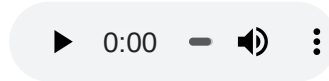

[audio player] Time: 26.5s - 33.5s

Transcript: this dot the car capital account will have the hoodie. Yes, we're getting visual feedback for targets that are in the environment. The car capital account should pay attention.

[audio player]
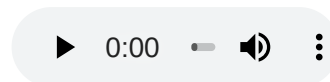

Time: 63.3s - 64.7s

Transcript: You drove through me.

[audio player] Time: 80.5s - 81.3s

Transcript: Yes.

[audio player] Time: 86.2s - 87.2s

Transcript: I am now in drive.

[audio player] Time: 95.1s - 96.6s

Transcript: And I drove through.

[audio player] Time: 98.2s - 98.6s

Transcript: Thank you for watching. Thank you.

[audio player] Time: 99.8s - 101.1s

Transcript: I now have some driver on.

[audio player]

Transcript: a color skater head off the side.

[audio player] Time: 111.2s - 111.9s

Transcript: cross-body pack.
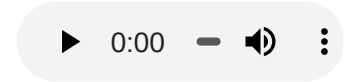

[audio player] Time: 114.5s - 115.3s

Transcript: That is the first button.
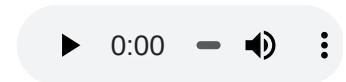

[audio player] Time: 115.7s - 116.0s

Transcript: back.

[audio player] Time: 119.8s - 121.0s

Transcript: It's draining, out of it.

[audio player] Time: 128.8s - 130.6s

Transcript: Nope, not this one
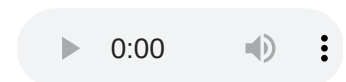

[audio player] Time: 135.7s - 136.6s

Transcript: Yes, on the right.

Time: 231.5s - 231.6s

Transcript:

Time: 231.7s - 233.5s

Transcript: That's the thing like two years ago.

Time: 237.9s - 238.0s

Transcript:

Time: 238.0s - 238.2s

Transcript: Thank you.

Time: 253.3s - 253.9s

Transcript: We'll wait.

Time: 255.4s - 256.0s

Transcript: And now.

Time: 256.0s - 256.7s

Transcript: in the land.

Time: 33.6s - 35.0s

Transcript: that screen, tape them.

Time: 35.4s - 36.4s

Transcript: without the turn. Mission.

Time: 37.1s - 39.1s

Transcript: Remember to tap the targets on that ODS.

Time: 39.1s - 41.2s

Transcript: as well as completing a good workstation task.

Time: 45.9s - 48.0s

Transcript: So, I'll drive it, just put your foot on the brake.

Time: 49.5s - 51.8s

Transcript: you not remove your foot from the brake until I instructed you.

Time: 125.9s - 129.0s

Transcript: I see scooters on both sides of the road.

Time: 132.5s - 136.6s

Transcript: Not motorcycles. They're gonna like it. Oh, yeah, that's on the left side of the road.

Time: 138.7s - 139.4s

Transcript: Passing now.

Time: 151.1s - 151.9s

Transcript: Moving any target?

Time: 157.2s - 157.5s

Transcript: Okay.

Time: 161.0s - 164.2s

Transcript: There was motorcyclists were giving me a hand. There was a car.

Time: 136.6s - 136.7s

Transcript: Okay.

Time: 137.7s - 138.7s

Transcript: Yeah, I saw her.

Time: 138.7s - 138.8s

Transcript:

Time: 141.0s - 142.5s

Transcript:

Time: 153.5s - 157.0s

Transcript: Not yet. I hate talking about tennis fight, but... Yes, Paul.

Time: 168.4s - 169.7s

Transcript: past all I see it is

Time: 176.9s - 177.7s

Time: 258.6s - 259.4s

Transcript: Thank you.

[audio player]

Time: 268.0s - 268.9s

Transcript: Yeah, it's pretty surprising.

[audio player]

Time: 288.5s - 292.5s

Transcript: Um, they're really nice, uh, talk.

[audio player]

Time: 292.7s - 294.6s

Transcript: and with a tablet on the cable.

[audio player]

Time: 298.3s - 298.8s

Transcript: Yeah.

[audio player]

Time: 300.6s - 301.0s

Transcript: Yeah.

[audio player]

Time: 319.4s - 325.0s

Transcript: Yeah, I think is, how about you come

[audio player]

Time: 51.9s - 52.0s

Transcript:

[audio player]

Time: 54.3s - 54.7s

Transcript: Let's start.

[audio player]

Time: 57.8s - 59.8s

Transcript: on drivers with your foot still on the brake.

[audio player]

Time: 61.6s - 61.6s

Transcript:

[audio player]

Time: 62.6s - 62.6s

Transcript:

[audio player]

Time: 62.6s - 62.7s

Transcript:

[audio player]

Time: 62.7s - 62.8s

Transcript:

[audio player]

Time: 167.7s - 170.7s

Transcript: Yeah. Pass it. It's at 10 o'clock.

[audio player]

Time: 173.9s - 175.0s

Transcript: I think he's...

[audio player]

Time: 175.1s - 177.8s

Transcript: I'm the best side. I'm the best side. I'm the best side.

[audio player]

Time: 178.0s - 178.6s

Transcript: passing now.

[audio player]

Time: 180.3s - 180.9s

Transcript: We also have...

[audio player]

Time: 181.3s - 181.3s

Transcript:

[audio player]

Time: 189.0s - 191.8s

Transcript: I have a box.

[audio player]

Time: 194.2s - 194.3s

Transcript:

[audio player]
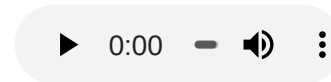

Time: 194.4s - 195.0s

Transcript: So.

[audio player]
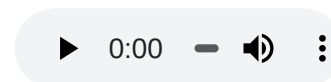

Time: 209.5s - 209.5s

Transcript:

[audio player]
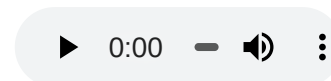

Time: 209.7s - 209.9s

Transcript: Yeah.

[audio player]
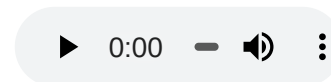

Time: 212.6s - 213.8s

Transcript: is the ODS working.

[audio player]
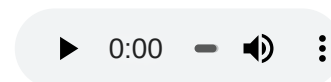

Time: 215.1s - 217.3s

Transcript: Yes, sometimes there has a drink, but there.

[audio player]

Time: 218.0s - 219.4s

in there? I think easy now.

[audio player] 0:00

[audio player] 0:00

Time: 69.4s - 70.0s

Transcript: head driver.

[audio player] 0:00

Time: 75.1s - 75.6s

Transcript: Any other?

[audio player] 0:00

Time: 76.0s - 76.3s

Transcript: Okay.

[audio player] 0:00

Time: 78.0s - 80.3s

Transcript: hard cap driver and only the car cap driver.

[audio player] 0:00

Time: 81.0s - 81.8s

Transcript: Yes.

[audio player] 0:00

Time: 82.8s - 84.2s

Transcript: Make sure everyone isn't dry.

[audio player] 0:00

Time: 87.4s - 90.0s

Transcript: Why is a car three so far behind car two?

[audio player] 0:00

Time: 195.3s - 195.7s

Transcript: Yeah.

[audio player] 0:00

Time: 237.8s - 237.9s

Transcript: Yeah.

[audio player] 0:00

Time: 238.0s - 238.3s

Transcript: Thank you.

[audio player] 0:00

Time: 242.4s - 243.1s

Transcript: I see a camel.

[audio player] 0:00

Time: 248.8s - 256.0s

Transcript: and we got cars coming up, there's a driving white car on the left.

[audio player] 0:00

Time: 258.5s - 262.4s

Transcript: but he's not passing now, I think that was it. Yeah.

Transcript: Yes, I can find it.

[audio player] 0:00

Time: 220.8s - 225.6s

Transcript: No, you won't see anything, but I should see something in the passenger seat of the ODS as well.

[audio player] 0:00

Time: 227.7s - 228.8s

Transcript: All right, now.

[audio player] 0:00

Time: 228.9s - 229.0s

Transcript:

[audio player] 0:00

Time: 229.0s - 229.3s

Transcript: Thank you.

[audio player] 0:00

Time: 229.3s - 229.5s

Transcript: Thank you.

[audio player] 0:00

Time: 230.5s - 231.5s

Transcript: Car cap driver, only the car cap driver.

Time: 95.8s - 98.4s

Transcript: That's on drivers, you may remove your spoon.

Time: 116.0s - 116.0s

Transcript:

Time: 163.1s - 163.1s

Transcript:

Time: 163.1s - 163.4s

Transcript: Okay.

Time: 164.2s - 164.4s

Transcript:

Time: 164.5s - 165.7s
Transcript: car that's going to be done.

Time: 262.6s - 269.8s

Transcript: We have another white SUV and passing that on the left now.

Time: 280.4s - 281.8s

Transcript: passing military checkpoint.

Time: 325.1s - 331.1s

Transcript: I mean, I'm having fun, but we can stop if you want to.
Time: 338.7s - 340.8s

Transcript: Okay.

Time: 348.2s - 349.3s

Transcript: Please don't run through it.
Time: 349.4s - 350.3s

Transcript: No!

Transcript: I'll see you in the next one. Bye.

Time: 231.6s - 231.7s

Transcript: Thank you.

Time: 231.8s - 232.0s

Transcript:

Time: 232.6s - 233.8s

Transcript: No, look at that.

Time: 234.4s - 235.0s

Transcript: bite.
Time: 235.5s - 238.0s

Transcript: Dan, or SUV, FPM? Yeah.
Time: 238.2s - 238.2s

Transcript:
Time: 238.3s - 238.7s

Time: 166.0s - 166.0s
Transcript:

[audio player 0:00]

Time: 331.1s - 337.0s

Transcript: I can kill it. I can kill it. So all drivers. Pull.

[audio player 0:00]

Time: 337.1s - 338.7s

Transcript: both pictures that I'm going to bring.

[audio player 0:00]

[audio player 0:00]
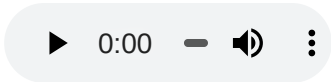

Time: 351.8s - 356.4s
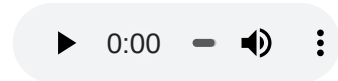

Transcript: We've been rear-ended. In park now.

[audio player 0:00]

Transcript: Thank you.

[audio player 0:00]

Time: 253.2s - 253.3s

Transcript:

[audio player 0:00]
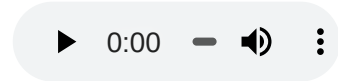

Time: 296.2s - 297.1s

Transcript: and it's kind of like...

[audio player 0:00]
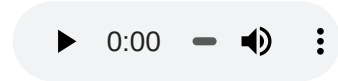

Time: 297.2s - 297.3s

Transcript: up.

[audio player 0:00]
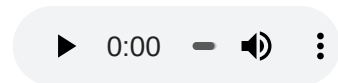

Time: 313.6s - 316.1s

Transcript: Jack, you do feel like this is giving you enough to-

[audio player 0:00]
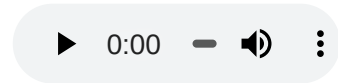

Time: 316.2s - 318.2s

Transcript: Understand or do you want to continue?

[audio player 0:00]

Time: 350.3s - 350.4s

Transcript: Thank you.

Text Analysis

	text	sentiment	intent
0	Okay, so	Neutral	navigation
1	the drive you're going to complete and use the automation and the object detection systems, then you will not	Negative	vehicle_status
2	need to operate the vehicle. So keep your hands up this steering wheel and heat up the pedals and once we get that	Positive	vehicle_status
3	drive. So when you see this and drive in the car, have I green? Make sure you don't get the brake at any point	Positive	vehicle_status
4	during the drive. This drive, the car can have a look at what have been hooded. Yes, we're getting visual	Positive	vehicle_status
5	feedback for targets that are in the environment. The car can have a look at how it should pay attention to that screen, to aid	Positive	navigation
6	them when out to turn the commission. Remember to tap the targets on that hooded. Yes, as well as, including	Positive	navigation
7	the ghost work station task.	Neutral	navigation
8	All right, so all drivers put on the brake. You're not	Negative	lane_change
9	able to move your foot from the brake until I instruct you to remove it.	Positive	lane_change
10	Oh, you drove through	Negative	traffic_update
11	me.	Positive	navigation
12	Any	Positive	navigation
13	other go back. I have driver and only the car can have	Positive	vehicle_status

	text	sentiment	intent
14	driver. Yes. I am	Positive	vehicle_status
15	now in drive.	Positive	vehicle_status
16	And I	Positive	navigation
17	drove through my driver's, you need to remove your foot.	Negative	traffic_update
18	We now have some driver on.	Positive	vehicle_status
19	One, a color scooter	Positive	pedestrian_alert
20	head. It costs a body pack. Scooter.	Positive	navigation
21	It's driving out of it. I	Neutral	traffic_update
22	see scooters on both sides of the road. Nope,	Neutral	pedestrian_alert
23	not this one. Not motorcycles. They're going to like scooter.	Negative	vehicle_status
24	Yeah, that's on the left side of the road. Yeah, I saw the passing now.	Neutral	traffic_update
25	Do you have any target? Not yet. I	Neutral	navigation
26	hit more get identified, but it's all.	Neutral	accident_warning
27	It was motorcyclist. We're giving me a car. It's a car.	Neutral	vehicle_status
28	There's boxes on the roof. Yeah, past. Oh, I see it. It's	Positive	navigation
29	at 10 o 'clock. I think	Neutral	navigation
30	he's on the left side. Passing now.	Neutral	traffic_update
31	We're also passing now. One.	Negative	traffic_update
32	Why is a	Negative	navigation
33	car three so far behind car two?	Neutral	navigation
34	Yeah.	Positive	navigation
35	Yeah. It's hard to	Negative	navigation
36	get. Is the ODS working?	Negative	parking_assistance
37	Yes. Sometimes they have a brake button there. It says, I can't find it.	Neutral	navigation

	text	sentiment	intent
38	No, you won't see anything, but that I should see something in the passenger seat of the	Negative	navigation
39	ODS is parking. You should be a wide car right now. The right now.	Positive	parking_assistance
40	The right car. That's the ODS. No, it's the	Positive	vehicle_status
41	ODS. No, it's the ODS. That's the ODS.	Positive	navigation
42	Yeah. I see a camel.	Neutral	navigation
43	It's got cars coming	Positive	vehicle_status
44	up. Oh, I haven't messed all that. There's a driving white car on	Positive	vehicle_status
45	the left. Yeah. The car on the left. But he's not	Negative	vehicle_status
46	passing now. I think that was it. We have another	Negative	navigation
47	white SUV. And passing that on the left	Neutral	vehicle_status
48	now. That was the car. I	Positive	vehicle_status
49	don't know what it was.	Negative	navigation
50	Passing military checkpoint.	Neutral	navigation
51	Um,	Neutral	navigation
52	nearly nine was a truck. I know it was a truck.	Positive	navigation
53	Yeah.	Positive	navigation
54	Yeah. Yeah.	Positive	navigation
55	Yeah. Jackie, do you feel like this has	Neutral	navigation
56	given you enough to understand or do you want to continue? Yeah. I	Positive	navigation
57	think is, um, how about you come under? I think he's enough.	Positive	navigation
58	I mean, I'm fine. But we can stop if you want to. Yeah. Okay.	Negative	accident_warning
59	Yeah. We can kill it. So, um, all	Negative	navigation
60	drivers will slow the picture foot on the brake.	Negative	change_speed
61	Command of breaking out.	Neutral	navigation

	text	sentiment	intent
62	Please don't run through me.	Negative	navigation
63	We've been rear -ended. Uh -huh.	Negative	vehicle_status
64	In park now. Good job, me.	Positive	parking_assistance
